Treść zapytania

The Purchasing Department of PESA Bydgoszcz S.A., based in Bydgoszcz, requests a quotation for an engine coupling , gearbox testing on a test bench and installation of a motor coupling

Warranty: 12 months

Provide the verification time.

Provide the estimated repair time.

Prerequisite: If the repair offer is accepted, the verification cost will be waived.

Estimated delivery date: Ongoing

The bid specification, containing all technical requirements, will be sent via email after the Bidder submits a signed Non-Disclosure Agreement (NDA).

The submitted offer should include:

- name and address of the Bidder
- completion date from the date of order placement
- payment term no shorter than 30 days from the date of receipt of the invoice by PESA
- offer validity date
- unit price
- delivery terms: DAP Bydgoszcz

The offer must include all activities performed using the technology specified in the documentation or meet the requirements of the offer/technical specifications, and include the provision of all required documents contained in the above documents.

Material Acceptance Certificate 3.1 required, depending on the note on the order.

Notes:

An Agreement will be signed with the Supplier who submits the most advantageous offer, the annex of which will be the General Terms and Conditions of Sale of Goods and Services to PESA Bydgoszcz S.A.

The Delivery Packaging Instructions and Delivery Labeling Instructions apply to the delivery of Deliveries.

Guidelines for suppliers/sub-suppliers of products:

Requirements for sub-suppliers of welded, welded, and brazed products T-00010041, T-00010042

Technical requirements for metallurgical materials - steel sheets T-00010033

Technical requirements for metallurgical materials - shapes, profiles, steel pipes T-00010039

Requirements for sub-suppliers providing anti-corrosion protection TT2A-001-2019

Requirements for sub-suppliers of bonded products Requirements for Sub-Suppliers of Glued Products WK-411-002-2019

Requirements for Sub-Suppliers - Marking of Threaded Connections BPSZ-020-02-034

General Requirements for Sub-Suppliers of Fastening and Crimping Materials BPSZ-019-09-016

Requirements for Sub-Suppliers of Built-in Components BPSZ-019-09-015

Requirements for Sub-Suppliers of Composite Elements, Thermoplastics, and Others T-00014099

PESA reserves the right to change the delivery schedule and volume in the event of design changes. Vehicle or other factors unforeseeable on the date of bid selection. The quantities provided are estimated values on the date of the request for quotation and are subject to change for reasons beyond PESA's control. Therefore, your bid will not result in any obligations on the part of PESA. We reserve the right to amend the order during execution due to changes in the documentation that were unforeseeable on the date of bid selection.

If the Bidder is unable to meet the bid submission deadline, they should notify the Buyer by email within 24 hours. In justified cases, the Buyer may extend the bid submission deadline.
